Reservations with payment must be received by April 1, 2007. After April 1<sup>st</sup> there will be an added charge of \$3 per meal except for people who have completed CLIMBING their lists in March. We will probably reserve a few spaces for late-winter completers, last-minute applicants, or folks with changes of plans, etc., but please don't count on this. If we do have extra places available at the door, there will be a \$5 added charge per meal unless you have a really good story. Sorry, but we need to be able to let the people who procure the food know how many people they'll be serving a bit in advance of the big night. As a habitual procrastinator myself, I understand the need to motivate my brothers and sisters to send their stuff in before the last minute.

[Please return this entire sheet – it is hard to keep sheets of different lengths organized in a file folder!]
